

## **Belize Training Center Mission Guidelines**

When you come to Belize working with the Farleys you represent Christ and the mission. Therefore, we are asking during your period of service in Belize that you abide by the guidelines the mission has adopted.

### **Clothing**

1. For **general purposes men** may wear long pants, knee-length shorts, and long or short-sleeve shirts/t-shirts. **Ladies/girls** may wear, long pants, knee-length shorts, capris, or knee-length skirts with long or short sleeve shirts/t-shirts.
2. For **attending worship services or presenting the gospel message**, men should wear long pants and long- or short-sleeve shirts/t-shirts. **Ladies/girls** should wear knee-length skirts/dresses or long pants, long- or short-sleeve tops. Shoulders and back must be covered with modest neckline.

We would ask that tube tops, tank tops or cut off t shirts bearing the stomach or back not be worn at any time.

3. **Swimwear on recreation days** should be modest. We ask that there be no bikinis or if you do; please wear shorts and /or t-shirt over your suit to make it more appropriate.

### **General Conduct**

We realize that different people have different interpretations of certain gray areas in the Bible. Therefore, we have set guidelines for those serving with us short-term here in Belize that will match the reputation we want to uphold here. We ask that team members abstain from all alcohol and tobacco while in Belize.

Also, it is important to be respectful of the cultural groups you are visiting. Our goal is to model God's love in our attitudes, words, and deeds and to not be a stumbling block to those around us. (I Corinthians 10:31-33).
