

# FARLEYS' NEWSLETTER

DECEMBER 2019

**Stanley Usher being baptized.**

As the bus was coasting downhill of the main road in San Antonio Village, someone behind me yelled out, "You missed him!" I was out picking up for a special event, but I didn't see anyone trying to catch the bus. Once stopped, a lady got up from her seat and exited the bus. She told me she would help him get on. As the lady and young boy boarded, I explained that he needed to be standing by the roadside and ready to get on next time. The lady said, "He didn't hear you. He is deaf." Oh.... Have you ever noticed that people with special needs never clamor for our attention. You actually have to work at finding them. I am thankful the Lord has touched the hearts of a group from the states that helps us see those in need.

A special team for special people. We were blessed to host an unusually gifted mission team this fall. EPP (Every Person has Purpose) focuses all of their efforts on supporting people with special needs - children & adults and their families. There are no resources for people with special needs in Toledo District and few get the opportunity to hear the gospel. Many people with special needs don't leave their homes to go to school or church and are often isolated. The goal of EPP Ministries is to share Jesus and the gospel through building relationships and providing community for people with special needs. Thank you, Terri, for following the Lord.

**Cheers to twenty years.** While in on furlough this fall, we were blessed to be back at our home church in Palestine, Texas, on "the date" we crossed over the twenty-year mark of serving in Belize. Our family (The Farleys) joined Norwood Heights BC in 1969. Rhonda and I grew up in that church and our moms still attend when they can. It has been an incredible journey and we can definitely say that we have seen God's hand in it all. If I started thanking people that have helped, prayed for us,

**Se mi ya.** We usually try some crafty way of saying we cannot make it without your financial support. We do not work for any particular group. We are not paid a salary nor on staff of any church. Without your prayers and support we would never make it more than a month here. The gospel is not the gospel of the Bible without Judea, Samaria and the ends of the earth. It is just the way God designed it. It would be like Jesus feeding the front row of the 5,000 over and over again. The neat thing about the real gospel is that Jesus had 12 baskets left over when HE did it HIS way.

financially supported us, or flown to Belize to labor beside us. We would surely run out of space. Thank you, to a wonderful group supporters that have given more than we have. The Lord knows you. I am convinced.
